ATTENTION: Mr. L. K. White, Deputy Director

Dear Mr. White:

In prompt reply to your letter of October 17, addressed to our President, Mr. DeStefano, which has been referred to me for attention:

We are grateful to you for calling our attention to traffic conditions on the George Washington Memorial Parkway and are enclosing a copy of a notice which has been posted on the bulletin board in our drivers' room.

We will keep this important matter of safe driving before our men at all times, as has been our constant aim in the past.

Sincerely yours,

NOTICE TO DRIVERS

It has been brought to our attention by officials of the Central Intelligence Agency that there have been several serious accidents along the George Washington Memorial Parkway which were caused by speeding vehicles.

Even though as yet none of our buses have been involved, we direct your careful attention to the observance of posted speed limits and ask that extreme caution and care be exercised while operating your buses on this heavily traveled and, at times, greatly congested parkway.

W. W. WHEELER
Vice President and General Manager
